CORRIGENDUM

Corrigendum for modification of Section 5 "Scope of Work" in response to pre-bid query answers against RFP (Request for Proposal) – "Selection of Agency for Design, Supply, Installation and Maintenance of Lab Furniture for Central Environmental Laboratory in Nava Raipur Atal Nagar, Raipur".

RFP No.: 01/HO/CECB/SCI/CS/E-Tender/2025-26 and E-Tender No.: 168022

The following section (i.e. 5.3.10. Audio-Visual System for Conference Room/Auditorium) has been added under the Section "Scope of Work" in the above-mentioned Request for Proposal (RFP) and must be read accordingly:

5.3.10. Audio-Visual System for Conference Room/Auditorium:

5.3.10.1. An AV system has to be installed in Conference Rooms/Auditoriums and shall support the following technical specifications and functionalities: -

- a. Display & Projection
- b. Audio System
- c. Video Conferencing Setup
- d. Control System
- e. Connectivity & Interfaces: Must have casting/mounting support and should be Compatible with all types of common audiovisual connectors/ports.
- f. Data Integration & Display

5.3.10.2. The entire AV setup must be backed by a minimum one (1) year comprehensive onsite warranty, including hardware, software, and technical support. Additionally, the agency shall provide Annual Maintenance Contract (AMC) services for three (3) duration, covering preventive maintenance Visit (minimum quarterly), unlimited emergency repairs with Breakdown Maintenance, firmware upgrades, and one-day response time for critical failures along with Replacement of defective Hardware and Components.

5.3.10.3. Training for designated lab and administrative staff, user manuals, and a quick-reference troubleshooting guide must also be provided.
