Issues raised and comments of the applicant during the Public Hearing held on dated 11.04.2008 for Environmental Clearance of Baroud Open Cast Expansion Project, SECL, Distt. Raigarh of mining of coal - 3.5 Million Tonne/Year.

S. No.	Issues raised during public hearing	Reply given by project proponent
1	No wide publicity for public hearing.	Notice published on One National and two local news paper and also notice served in affected Gram Panchayats.
2	Approach road towards Baroud need proper care from out side transporters, truck etc.	Seperate road shall be prepared to approach towards Baroud village after acquisition of tenancy and revenue forest land which is likely to be settle very soon.
3	Air and Water pollution due to mining and lowering of ground water table.	Present monitoring report of SPM, SO ₂ , NO _x conducted by CMPDIL(Cerified authority of SECL) is within permissible limit. However in future we will adopt mordern scientific technic to over come such complain and regarding ground water.
4	Not getting proper compensation of land & Trees.	Compensation shall be paid as per the rate of State Government after final awarding of tenancy land from State Government.
5	Unemployment of Local People.	Priority shall be given to local people in all aspect.
6	Displacement of villagers shall be spelled out clearly.	R&R policy shall be prepare and apporved by State Government after section IV under LA Act and getting Environemental Clearance for Baroud OCM -3.5 Million Tonne/Annum.
7	No development works done in affected villages.	All development Work under coming. Development programme has been done in consultation with District Administration. SECL has no monopoly in this regard.
8	No facility of Education, Health & Drinking water etc. for affected villages.	Community development for Educational, Health and Drinking water etc. shall be done in under coming. Development programme has been done in consultation with District Administration. After getting Community development fund for the year 2008-09
9	Adverse effect on forest and forest products.	Afforestation of entire forest field which have been diverted to SECL shall be looked out by State forest department.
